The staff at C.A.R.E. would really like to get to know your child better and would appreciate the chance to plan an appropriate and meaningful summer program/camp for your child. Please answer all of the following questions. The more the staff knows about your child, the easier it will be for them to interact with and help your child have a fun, safe and memorable summer and the staff will be more equipped to serve the needs of your child. Please be as specific as possible.

1. What social, communication, or attitude skills would you like stressed this summer?
2. What kind of **physical/material reinforcement** (food, high-fives, time outs, rewards, etc.) do you use at home to increase appropriate behavior **and/or** to decrease negative behavior?
3. What kind of **verbal reinforcement** do you use at home to encourage appropriate behavior or to decrease negative behavior? Be specific on the wording.
4. What are your child's strength and weaknesses? Knowing this will help us capitalize your child's strengths and work on your child's weaknesses:
5. What situations (group, one on one, certain places, being put on the spot, asking or answering questions, etc....) are especially difficult for your child or produce anxiety and/or aggression?
6. What situations does your child respond well in or excel in?
7. Does your child use an alternative mode of communication such as a communication device, gestures, pictures, visual schedule, social stories or sign language? Please give us some important or common phrases, signs or uses:
